Definitions

CCAA: The *Companies' Creditors Arrangement Act* (CCAA) is a federal law allowing insolvent corporations that owe their creditors in excess of $5 million to restructure their business and financial affairs. CCAA proceedings are carried out under supervision of the courts.

North American Industry Classification System (NAICS): The NAICS is an industry classification system that classifies economic units that have similar production processes in the same industry. This is a supply-based or production-oriented economic concept.

Highlights

Three *Companies' Creditors Arrangement Act* (CCAA) proceedings were filed with the OSB in the first quarter of 2017. Please refer to the CCAA Records List for additional details regarding each filing.
